Victoria, B.C. V9F 6N4

Dear Shirley

Congratulations on your nomination for the 2014 British Columbia DKG "Woman of Wisdom and Passion" award.

While our award this year went to Ms. Louise Paulsen we appreciate the commitment and passion you have shown in your work with Kitchen of Distinction where you have brought together many people of different backgrounds through nourishing meals and a focus on harmony and community. You were instrumental in establishing the Raven Scholarship fund which has been used to support the training of aboriginal chefs. Your efforts led to the establishment of the Victoria Aboriginal Transformative Justice Program and improved practices for both Aboriginal youth and adults. You are a role model and heroine to many of our members and to our community. Thank you for your contributions and best wishes for continued successes in improving the lives of others.

Sincerely,

A handwritten signature in cursive script that reads 'Sheila Pierce'.
