

BRAEFOOT DINNER FUNDRAISER

The Community Association's annual Friends of Braefoot Gala Dinner and Auction is a fundraiser that is a time to celebrate Braefoot bursary recipients and it was held with great success last month. "This is the highlight of Braefoot's year," Braefoot board member Ray Parks stated. "We celebrate the past year, recognize a group of young people moving on with their education through our annual bursary program. We promise a first-class evening with all the trimmings." October 21st saw local politicians, sports figures and well-wishers come out to show their support for this great sports program and threw a magnificent dinner to thank all of their sponsors - a big thanks to all that took part as they raised over \$34,000 that night!
