To Whom It May Concern:

RE: Kitchens of Distinction

I am pleased to highly recommend the stellar catering services of Shirley Lang and Kitchens of Distinction. We have had the pleasure and privilege of enjoying the fabulous results of the Kitchens of Distinction for our major and minor events over the past several years.

From the earliest planning stages and to our recent launch with close to 150 people, Shirley Lang was quick, organized, and accommodating. The food is delicious and appropriate to the occasion. Shirley and all her staff are cheerful and professional. It is clear that Shirley carefully considers the menu so that there are options to accommodate a wide range of tastes and dietary needs, while including a lot of colour and creativity. At each event, people consistently comment that they have just had the best catered food ever.

We have already recommended Kitchens of Distinction to colleagues and friends and would hire her again without hesitation.

Sincerely,

Dr. Val Napoleon
